Jensen offers a unique variety of storage options, mirrors and lighting. To help you review our large selection, we have divided this catalog into sections by product similarities and have included both a product reference page and a detailed product specification list at the back, making it easy for you to choose the right model(s) for your needs.

Jensen prides itself on quality and craftsmanship. From genuine wood frames to the jewel-like finish of our beveled edge mirrors, no detail is overlooked. We use premium float glass mirrors for distortion-free viewing. All lighting products are UL listed, so they can be installed with confidence. In each design and with all of our materials, we strive to balance timeless beauty with the decorative trends of today and the enduring quality construction that our customers demand.

How to Order Using Part Numbers

Model + Finish Trim Code (where applicable)

+ **Shelving Option Code** (where applicable)

Example: 840P24 + CH + G = 840P24CHG

Finish / Trim Codes:

CH = Chrome

BR = Brass

SS = Stainless Steel

WH = White

Shelving Option Codes:

D = Dimension Series

G = Glass

For over 50 years, Jensen has been nationally recognized as a distinguished source of quality customer service and skillfully crafted single swings, tri-views, specialty cabinets and accessories. Jensen provides you the uncompromised service you deserve so you always have the products you need when you need them. We offer a vast variety of product styles and price points to choose from, making it easy for you to find the right product(s) for each and every budget and application.
